DEDICATION

To one sympathetic, but not sycophantic; full of sentiment without being sentimental; practical but not prudish; straightforward and sincere; one who understands yet still loves us, our friend,

MISS ELIZABETH FREESE

FOREWORD

The Gray Castle of 1925 is before you. We do not believe that it is the greatest high school annual ever published. As it has grown under our hands, during the past months, we have learned to love the child, while being fully conscious of its defects. And now that it has grown up, our child is ready to graduate and go out into the world. We can do nothing more to aid it, our work is over; we can only hope that you will treat kindly this child of ours, forgetting its faults, and remembering only its virtues.

To all those who have co-operated so efficiently in this work—editors, contributors, artists, engravers and printers—we extend our sincere thanks.

I took my girl out walking
We went to town a lovely time
She said don't tear my clothes dear
You'll get them just the same.

ONE of the saddest phases of school life is the parting of the graduation class. Though you may return among the throng in the class room and the corridors, in the Cafeteria and the Stadium, the loneliness presses down upon you as you look for faces that you cannot find and listen for the sound of voices that are not there. You understand the meaning of Coleridge when he says, "Water, water every where nor any drop to drink." Though you may gain other friends you seek in vain for friendships comparable to those of class-mates. And so it is with all the pathos of the separation of a family that you say good-bye to your class-mates. Perhaps good-bye forever.

However, there is happiness that can only accompany a task finished; the joy of making another step forward; the feeling of laying down our tools that we may pick up finer ones that we may build greater things. And in the mind there are builded great castles of air for what the future may unfold.

At this point in parting you see your joys and sorrows, your friends, classmates and teachers in their true light. True to human traits you appreciate them, sometimes only too late.

As it has been with those in the past, as it will be with you in the future, so it is now with us the class of January '25, that with an ache in our hearts, a smile on our lips and a tear in our eyes, we bid farewell to the friends, teachers, and happy hours of the old Gray Castle.

ENTHUSIASM is that power which drives men to action. It is that ardent zeal which spurs onward the painter, the sculptor, the poet and the orator, to substantiate his dreams. Likewise, enthusiasm is behind the motives of the patriot, the hero, and the soldier. It is the possession of this inborn trait that enables man to lead a life of hope and anticipation, instead of a mere existence from day to day.

Master paintings, noble statuary, inspiring poetry and oratory that has impressed men from the earliest period of our history,—all these are the expression of that inherent love for the beautiful which is a part of every man. However, before the artist can express himself he must be enthused with his art. It is also that quality, enthusiasm, that gives to the patriot courage and an intense desire to aid his country. Supernatural strength and valor help the hero and the soldier to perform incredible feats, but not without a large degree of enthusiasm accompanying them.

The student who possesses this trait attends school with hopeful expectations, while his less fortunate companion lives from one period to the next in colorless monotony. Scholastic activities, classroom discussions, and loyal spirit, are evidences of enthusiastic students and teachers who make our school life interesting, instead of a humdrum existence.

Enthusiasm is a natural ability, and no one is without some degree of it. It remains for us only to develop this gift and to make the most of that which we have. But in some persons it is spasmodic. They are highly enthusiastic over a project for a short time, but the enthusiasm dies down as quickly as it arose, so that little is really accomplished. Though only one of the traits of character, enthusiasm is an important element without which the greatest success cannot be achieved.

ART CLASS

ALL Art work in the Annual has been done by pupils in the Senior Art Class. At the beginning of the semester, each student was assigned certain work such as Title Page, or Ex Libris cut.

A great deal of research work was done, so that each drawing is authentic. For example, if a drawing was to be of a Navajo Indian making a blanket, care was taken that the huts in the distance would be Navajo and not Hopi.

For the first time, there has been absolutely no commercial art work used. All borders, capital insets, and other work of that type was done by students of San Diego High School.

An effort has been made to keep all work uniform—to carry out one idea, that of the American Indian.

I wish to express my appreciation to the Seniors of 1925 for their fine spirit of good citizenship during the past year. The chief aim of education is to develop good citizens. A good citizen is one who takes part in affairs, is honest, of fine character, and shows by word and act that he is of benefit to those with whom he lives. The Seniors of 1925 are good citizens. I wish you every success.

GLEN O. PERKINS.

It is fitting that the ceremony marking the close of your high school course, be called "Commencement". May it be truly that—a stepping stone to further achievement. We shall miss the Class of 1925 in the activities of the school. We know that you will bring to new fields of service, the same enthusiasm and the same loyalty that marked your presence here.

Sincerely,

EDGAR G. JOHNSTON.

FEBRUARY GRADUATES

THE Senior A Class is one of the finest that has graduated from this institution for a number of years. The success of this organization, as all other organizations, is due to the ability of its officers. The officers of this class have been unusually efficient and have worked enthusiastically for the best interests of the whole school as well as of the Senior Class.

As president of the class Will Heller has shown marked executive ability in carrying on the business for the entire past year. He has also taken a large part in athletics, being a member of the basketball and football teams.

The office of vice-president is one of importance, although it is not heard of a great deal. Shirley Woolman, in this position, has proven herself to be very capable.

Melvin Jensen has filled our office of secretary. Melvin succeeded in the position to the utmost, having had executive experience for two years while performing his duties as treasurer of the A. S. B.

One of the most important and responsible offices is that of treasurer. This position was held by Wayne Hageman. As treasurer he handled very successfully the finances of the class, making it possible for it to carry on its many activities without incurring debts.

Much of the success of this peppy class was due to the wonderful help and advice given by Mr. Reyer, our faculty advisor.

Last Will and Testament

E, the Senior Class of January, 1925, San Diego High School, Village of San Diego, Adjacent to Tijuana, County of Speed Cops, and State of Collapse, being of unsound mind and doubtful memory do make, declare, form, produce, create, proclaim, reveal, disclose, divulge and publish this to be our last will and testament, to wit:

First, All of our just and unjust debts, and funeral expenses, (including other entertainments) shall be duly paid, fifty cents on the dollar.

Second, We bequeath to Senior Class of June, 1925, the right and privilege, with the duties thereof, of being absent from their most enjoyable classes and the presences of their august teachers in order to exercise their vocal organs under the sympathetic supervision of Professor Reyer.

Third, To the Juniors who will soon be enjoying the trials and tribulations of 800 History we will the assignments of Miss Price, including graphs, maps (completely labeled), and tabulated data, unusual both in their multiplicity and magnitude.

Fourth, To the innocent and unsuspecting Sophomores we bequeath the stadium smoking and lounging room for noontime use.

Fifth, To the faculty of this glorious institution of public instruction and enlightenment, we bequeath the hope that springs eternally in the human breast that perhaps in the golden ages of the future that the august school board may be moved to such benevolence and magnanimous generosity that they shall substantially increase the pecuniary remuneration for services rendered to the tax payers of this city, so that Mr. Doughty may have his daily cigar; Mr. Hamman, his regular copy of "True Confessions"; Mr. Mark, his correspondence course in dancing; and Miss Moran, her lip stick and eyebrow pencil.

Sixth, We nominate, constitute, declare, appoint and empower Ralph Lykins to be the executor of this our last will and testament, hereby revoking all former and future wills by us made.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this twenty-ninth day of January, A. D., nineteen hundred and twenty-five. (1925.)

SENIOR A CLASS. (SEAL)

Signed, sealed, published and declared by the said Senior A Class, as and for their last will and testament in the presence of us, who, at their request, in their presence, and in the presence of each other, have hereunto subscribed our names as attesting witnesses thereto.

JUNE GRADUATES

WHILE at the Hilltop the Class of June, '25, has tried in every way to make the school proud of them. Their pep and responsibility has been relied on in sports, prominent officers and all Gray Castle activities.

A remarkable number of athletes are members of this class. Some are: Frank Ribble, Captain of the Coast League, Champs of '25; Bill Powell, member of the former world champion relay team and "Speed" Martin, star pitcher for the varsity baseball team.

Those holding important school offices are: Katherine Sample, President of Girls' League and Secretary of A. S. B.; Grace Knapp, Vice-President of A. S. B.; Grace Kirk, Treasurer of A. S. B.; Ewart Goodwin, Editor of Russ, and Florence Porterfield, Editor of June, '25, Annual.

The officers elected in February for the class were Willis Fletcher, President; Katherine Sample, Vice-President; Esme Freeman, Secretary and Ed Faulkerson, Treasurer.

It has been the ambition of this Class, as of all former classes, to leave the school with the reputation of having been the best class that has ever graduated. Whether we have succeeded in reaching our aim, lies wholly with you.

The Medicine Man's Prophecy

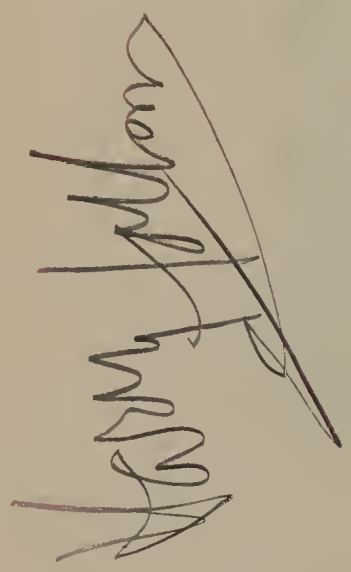

'Twas a clear and bright springtime evening; 'twas a warm and balmy springtime evening, when Chief Father Time sat alone in his tepee, deep in meditation. Thus to himself he muttered—"It is time I commenced the preparation for the class prophecy of the tribe of Know-it-alls of the Reservation of the Gray Castle, class of nineteen hundred and twenty-five. I will call unto myself my swift-footed messenger, Wiggy Fletcher, and with haste I will dispatch him to bid the class assemble for a mighty pow-pow as we smoke the Pipe of the Departing. I will cause a great and mighty fire to be lighted on the Hilltop by my great fire lighter Allan Stanley, with his mighty cigarette matches. I will cause the tom-tom to be sounded by my renowned musician, Allan Minor. I will bid unto our council the wondrous Medicine Man, Oujii Wow-Wow, and as the Pipe is passed in silence from the braves unto the squaws he shall, in voice deep and sepulchral, reveal their inclinations and destinations with great accuracy of the mind." Thus were they assembled, and thus was the weird, the gruesome, and the fantastic disclosed unto those initiated.

SENIOR B CLASS

THE Senior B's have, as usual, contributed to every phase of school life this year. For three years the student members have been prominent in school activities, and now for the fourth year they enter into their final inheritance, the leadership of the Hilltop.

Jack Norris has been a peppy president and has led his class masterfully. The other officers were: Melody McKim, vice-president; Ray Bond, secretary; Phil Winnek, treasurer; Dave Reed, ex-committee; Red Held, yell leader; Mr. Williams, faculty advisor.

Officers during the fall semester were: Ray Downey, president; Stuart Kennedy, vice-president; Alice Blackmar, secretary; Arthur Ferguson, treasurer.

A large number in the class have won individual honors in athletics. Many of these students have made the varsity basketball, football, track, baseball and swimming teams. Minor sports were also well supported.

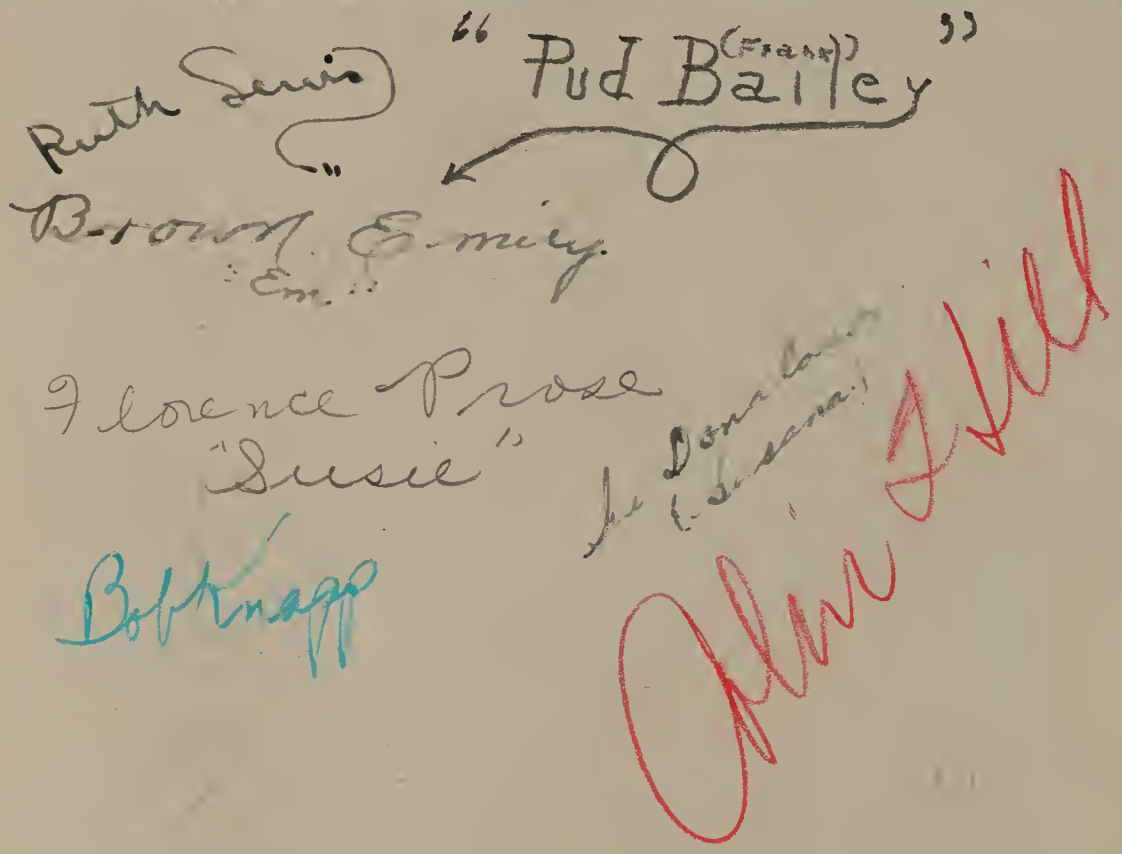

The class chose a capable ring committee which selected one of the most appropriate rings ever chosen on the Hilltop. The committee consisted of "Dutch" Buerkle, Harold Ramser and Annabelle Reed.

The Senior B's have entered all activities with pep and enthusiasm, which resulted in a class spirit which is a credit to the school. The class will pass next year to the position that every class envies, and they will well fill the place of the outgoing Senior A's. Here's to the present Senior B's, the next leaders of the Gray Castle.

JUNIOR CLASS

DURING the past year the Junior Class has proved itself one of the leading groups in school in executive duties, social functions and athletics.

The officers for the first semester were Ray Downey, president; Stewart Kennedy, vice-president; Alice Blackmar, secretary; Arthur Ferguson, treasurer; Lillian Dante, ex-committee; Earl Meech, yell leader; Mr. Homuth, faculty advisor.

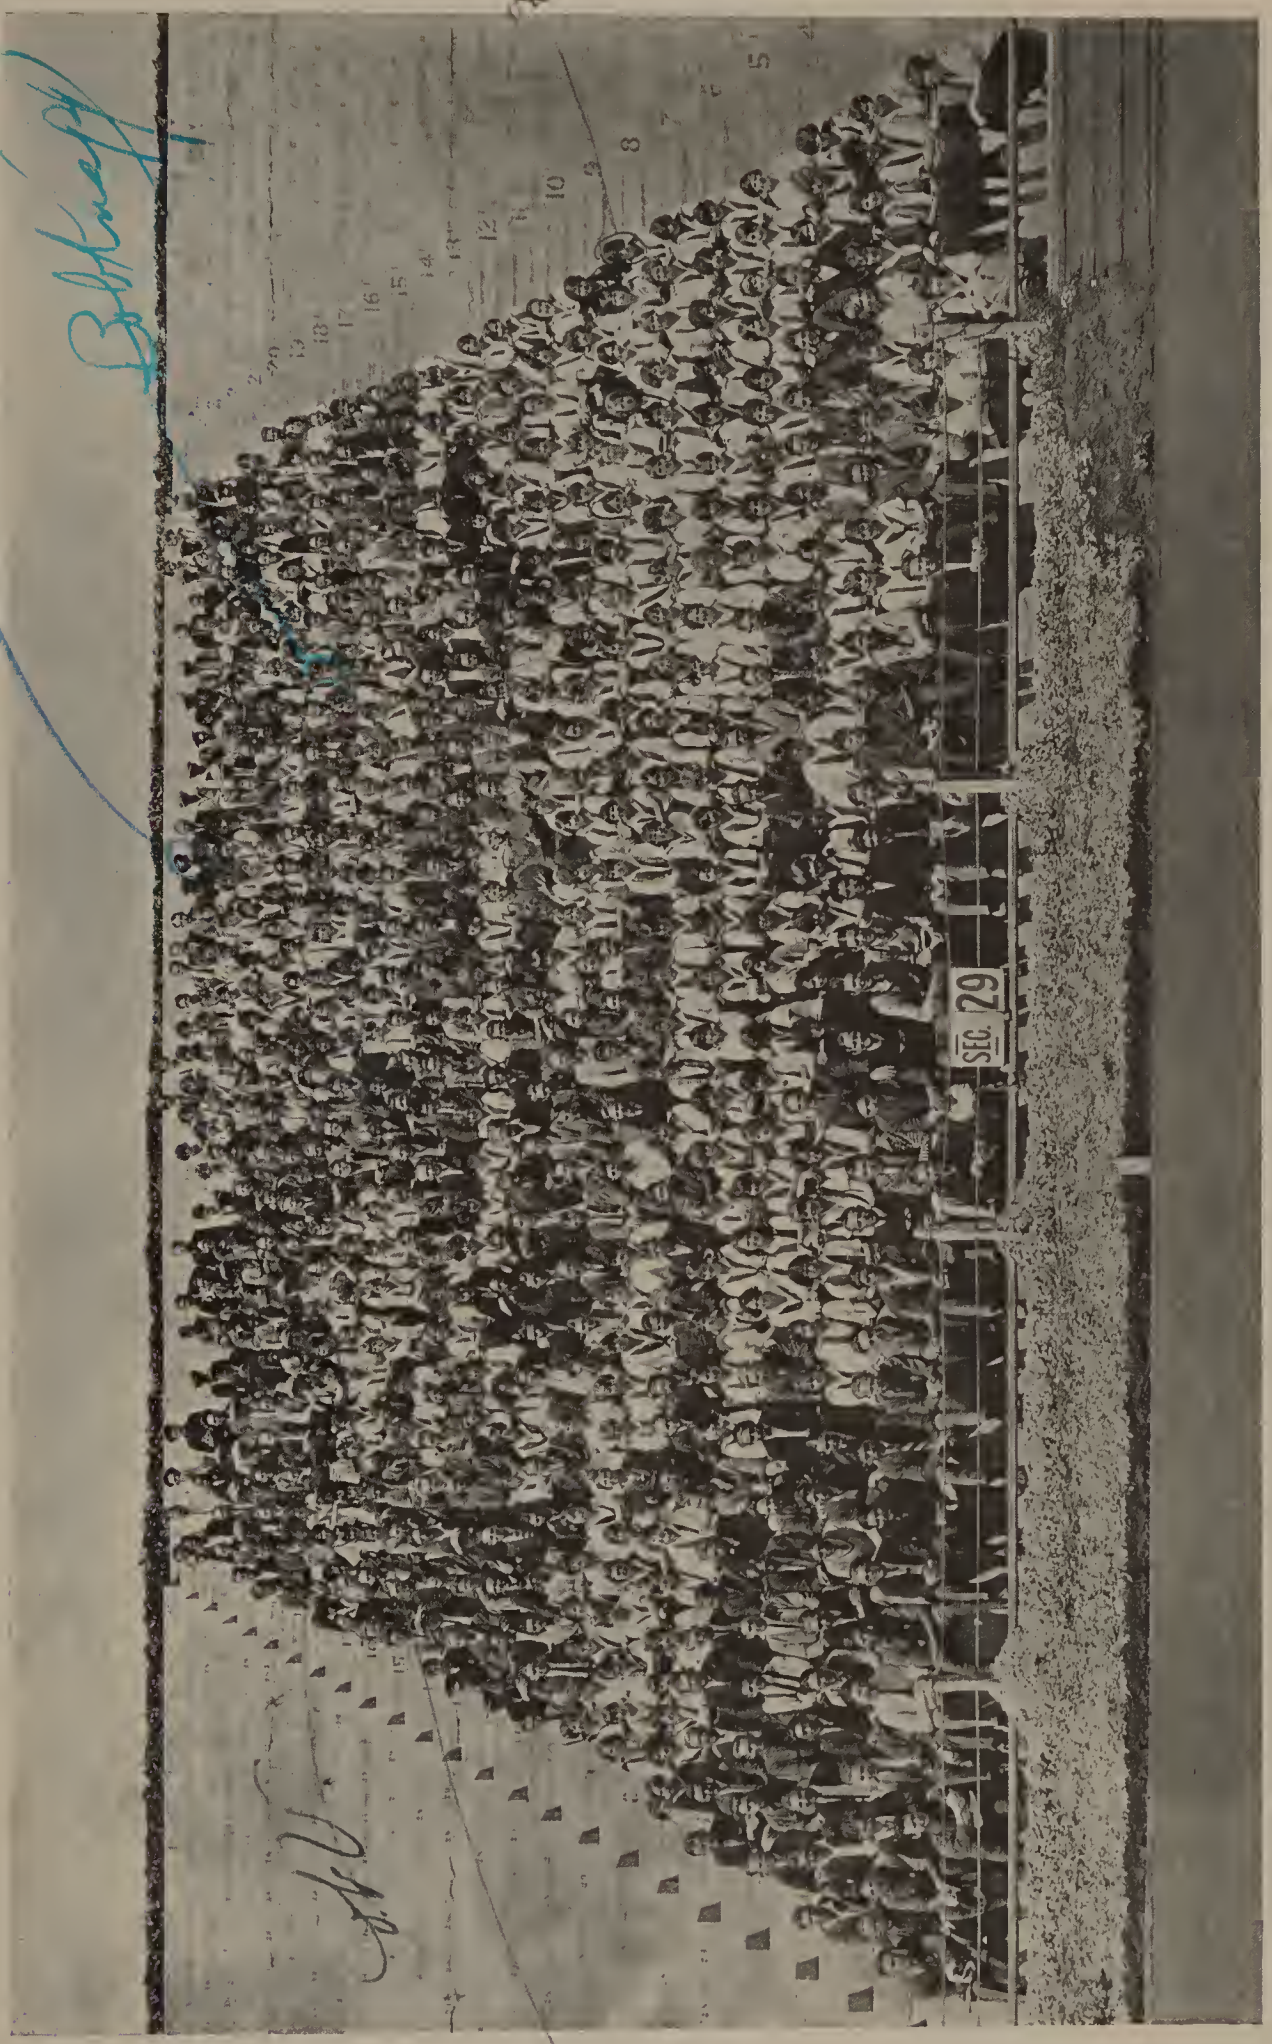

For the second semester the officers chosen were: Stewart Kennedy, president; Edna Simms, vice-president; Alice Blackmar, secretary; Robert Geddes, treasurer; Eddie Moeller, ex-committee; and William McKinley, yell leader.

The class has chosen scarlet and grey as their colors to carry through school.

The Juniors of last semester put the Junior-Senior Prom over in great style.

The Juniors led the field in all the major sports this year. Boys who have shown up well in sports are: Eickmeyer, Hubbard, Kemp, and L. Peterson,—all in football. In basketball, Chase and Ferguson; in track, Moeller, Kemp, Chase, Ferguson, L. Peterson, Ramser, Kleinsmidt and L. Brown; in tennis, Muehleisen, Blade and Minch.

The Junior class has always been composed of peppy students with high ideals and determination to win out in anything they attempt. With such pep and determination, they cannot help but emerge victorious, and the school can well be proud of them.

SOPHOMORE CLASS

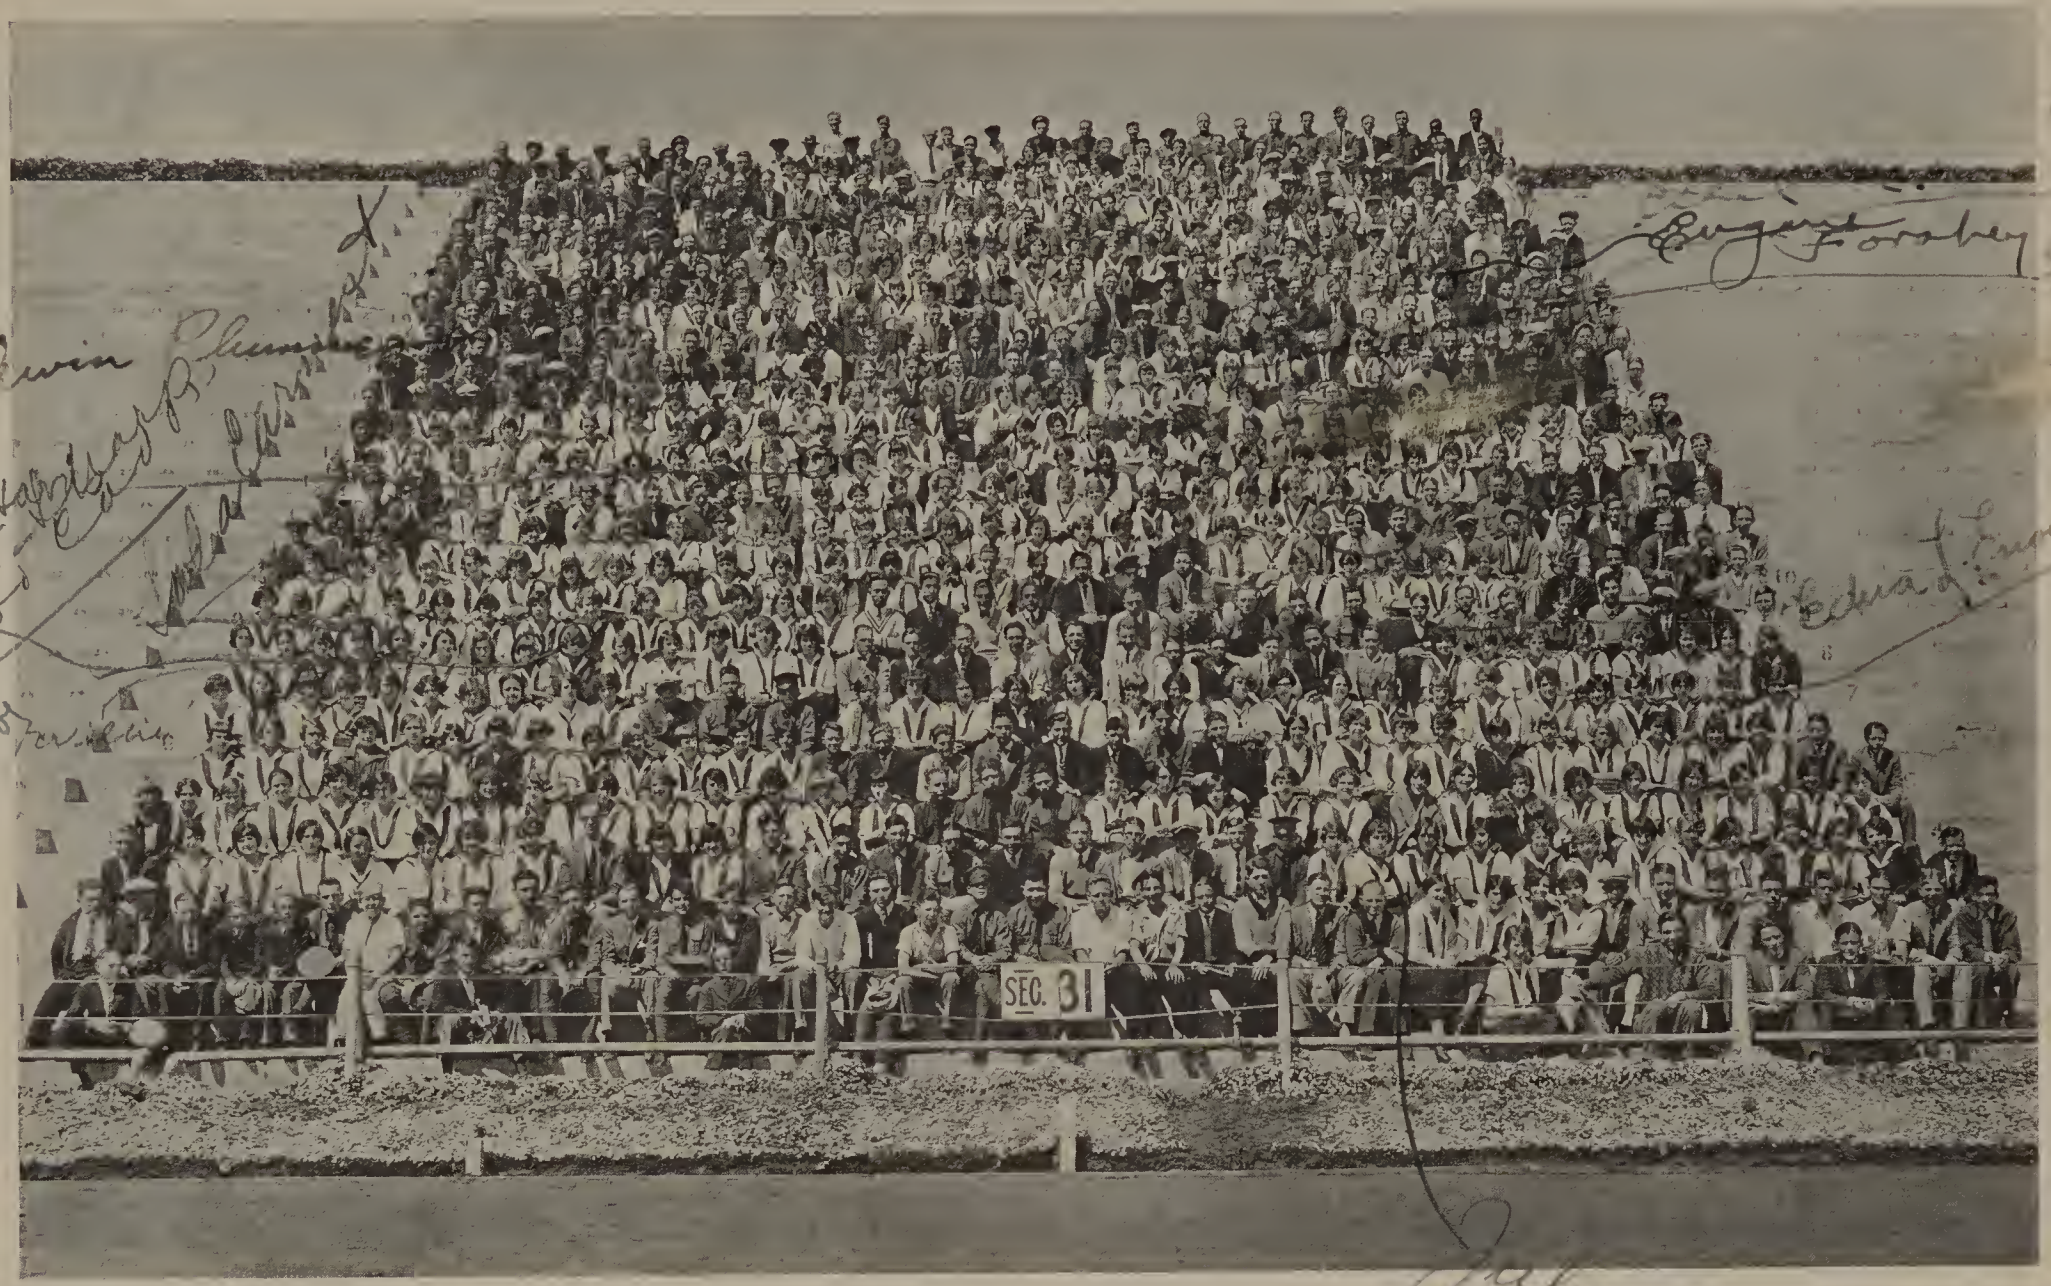

LTHOUGH it was the youngest and least experienced class in the school, the Sophomore class successfully finished the term and shone as one of the peppiest classes on the Hilltop. It backed all the Gray Castle athletics, as well as dramatic and social activities, in which a number of Sophomores took part.

Inter-class baseball championship is claimed by the Sophs, who also accepted the Senior challenge to a tug-of-war in the Stadium, which, as the Annual goes to press, has not yet been staged.

Several dances were given by the class, Among them was one for the incoming Sophomore girls from the Junior High Schools.

Early in the Fall semester, an assembly was held at which the Sophomores chose the following officers: President, John Donohue; Vice-President, Donald Barnes; Secretary-Treasurer, John Phibbs. Cyrus West and Ashley West were chosen as representatives to the Ex-Committee. These officers were almost unanimously re-elected for the Spring term.

STARTING the year's activities greatly handicapped by the financial condition of the student body, the executive committee, by exercising good judgment and wide-awake interest in school problems, has managed to finish the year in a prosperous condition. Every new problem has been tackled with enthusiasm and fairness, and, in this way, solved to the satisfaction of everyone.

Recognizing the need for a new, up-to-date constitution, the committee appointed several of its members to draw up a body of laws, to be put to a general vote. This work of creating a new document took some time and it was not until recently that it was presented to the students for approval. It was accepted and went into effect immediately. The constitution committee was composed of Frank Ribble, Katherine Sample, Mr. Peterson, Mr. Johnston, Mr. Perkins, and Miss Freese.

A one day convention was held in March for the county high schools. About five schools were represented. Interesting and worthwhile discussions took place concerning various school problems.

The executive committee, which backed all school activities to the fullest extent and helped create good school-spirit among the other members of the student body, showed real interest in, and approval of, the Merit System. Dave Reed was appointed ex-committee representative on the Merit System Committee.

The officers for the spring semester were: President, Ralph Lykins; Vice-President, Grace Knapp; Secretary, Katherine Sample; Treasurer, Grace Kirk; 4A member, Frank Ribble; 4B, Dave Reed; 3A, Lillian Dante; 3B, Ed Moeller; 2A, Cy West; 2B, Ashley West; Faculty Advisor, Mr. Johnston; Financial Advisor, Mr. Peterson. For the Fall semester the following held office: President, Horace Kennedy; Vice-President, Madeleine Proper; Secretary, Katherine Sample; Treasurer, Melvin Jensen.

GIRLS' LEAGUE

THE fall semester of Girls' League activities was an unusually busy and successful one. With the idea of each member of the Board of Control having definite work to do, the Senior member was appointed manager of Girls' Hi Jinx; Junior member, advertising; Sophomore member, refreshments; and Honorary member, entertainment.

The semester's activities started with the two big welcome dances for the incoming Sophomores. Good refreshments and a snappy program were provided.

At the beginning of the semester, the Sunshine Committee was created with Marjorie Rice as chairman, with the purpose of helping students who were forced to remain out of school because of illness.

Girls' Hi Jinx, the peppiest performance ever, was presented the latter part of December, the proceeds going to the Scholarship Aid Fund.

Several interesting and beneficial assemblies were held when popular and prominent speakers presented new ideas and ideals to the girls.

The officers for this semester were: President, Katherine Sample; Vice-President, Adalia Everts; Secretary, Roberta Parrish; Treasurer, Margaret Herreshoff; Senior member, Nelina Nynmeyer; Junior member, Lillian Dante; Sophomore member, Rebecca Gonzales; Honorary member, Madeleine Proper.

GIRLS' LEAGUE

HE girls have cooperated wonderfully this semester with the Girls' League in trying to promote the feeling of democracy, comradeship and understanding among each other.

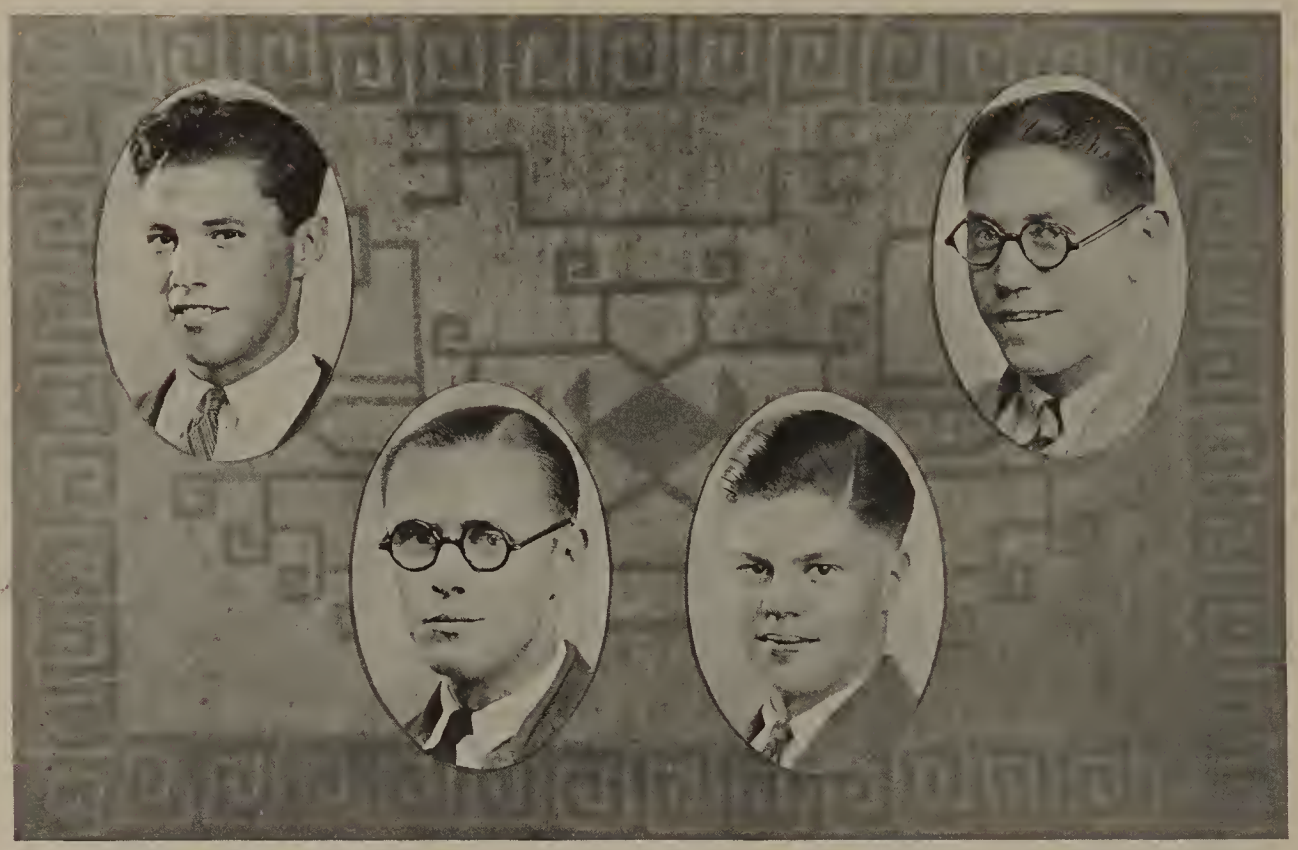

The League started the term with the "big sister" movement. Each new girl was made to feel at home when she found that she had a "big sister" who showed her around and kept a watchful eye on her throughout the semester. The annual welcome dance, also given for the benefit of the newcomers, proved a great success. Several assemblies were held, some of the speakers being students, while a most interesting talk on Washington, D. C., was given by Mr. Porterfield.

Another accomplishment of the League was the Spring Fiesta, a dance carnival for which occasion the girls were allowed to wear dresses.

The League also helped the A. S. B. by making and selling pom poms for the games. Many candy sales, in which all the girls cooperated, were given for the student aid fund.

The work of the committees has also been well worth while. The cooperative committee, headed by Adelia Everts, has done excellent work. The social service committee, headed by Madeline Proper, and the hospitality committee, headed by Dorothy Jones, has also done satisfactory work. The Sunshine Committee, guided by Marjorie Rice, has proved successful in giving happiness to our unfortunate friends.

The Board of Control has made the work successful with the cooperation of the girls. The officers are: Adelia Everts, president; Madeline Proper, vice-president; Dorothy Jones, secretary, and Thelma Griggs, treasurer. The representatives are: Florence Ambrose, senior; Annette Ziess, junior; Elizabeth Agnew, sophomore. Grace Knapp, vice-president of the A. S. B. is honorary member, and Miss Freese. is the faculty advisor.

BOYS' FEDERATION

N exceptionally busy and worthwhile year has been completed by the Federation, which through the untiring efforts of its officers and the cooperation of its members has become one of the foremost organizations on the Hilltop.

Among the many activities in which this organization has joined, was the first Annual Convention for boys in the Coast League. This convention was held on May 1 and 2. The "Jolly Jazz Jinx", the annual boys' hi-jinx was bigger and better than ever before, as well as a success financially.

Several dances were sponsored by the Boys' Federation, which also held a number of interesting assemblies for its members. A joint meeting of the Executive Council and the Girls' League Board of Control was held on March 31.

The official staff for the spring semester included: Arthur Ferguson, president; Lowell Teller, vice-president; Dick Barbour, secretary; Ed Rubin, treasurer. Heads of departments were: Robert Holbrook, School Service; Frank Dodson, Personal Service; Donald Nichols, Public Service; Russell Saunders, Students' Cooperation. Faculty advisors: Mr. Hale, School Service; Mr. Swenson, Personal Service; Mr. McMichael, Public Service; Coach Perry, Student Cooperation; Mr. Johnston, Executive Council.

During the fall semester the following held offices: Will Heller, president; Arthur Ferguson, vice-president; Dick Barbour, secretary; Phil Winnek, treasurer. Heads of departments were: Robert Holbrook, School Service; Wm. Hartsough, Personal Service; Francis Knapp, Public Service; Wm. Barwick, Student Cooperation. Faculty advisors were: Mr. Hale, School Service; Mr. Swenson, Personal Service; Mr. McMichael, Public Service; Mr. Orcutt, Student Cooperation; Mr. Johnston, Executive Council.

BOOK EXCHANGE

THIS semester closes with the Book Exchange permanently situated in the most desirable quarters which it has ever claimed. Room 121 has been turned over to the Exchange, and provides ample space for the storing of its materials. This room faces on the cafeteria court, and the Book Exchange is kept busy both noon periods, supplying students with necessary school materials, from this advantageous location.

In keeping with its new headquarters, the Book Exchange has steadily enlarged its scope of student supplies. Everything from erasers to high school stationery can now be purchased there. A desirable addition to the stock were the high school caps and pennants, which the Book Exchange rapidly sold during the semester. The high school stationery, with the S. D. H. S. monogram at the top, has also proven a strong attraction to the students.

It is the aim of the Book Exchange to supply the students with the most desirable materials at the lowest price possible. Out of the profits made on the sales, ten per cent goes for advertising purposes and the manager's salary, which is fifteen dollars a month. The remainder goes toward purchasing new stock.

The Book Exchange also maintains a showcase where class pins, rings and trophies may be displayed. Tickets for athletic events, as well as dramatic and social events can always be obtained at the Book Exchange.

The Exchange was admirably managed this year by Ray Bond, assisted by Jack Norris. Almus McLain held the position of clerk, while that of faculty adviser was taken by Mr. Walton.

RUSS WEEKLY

GOING through its first school year under the supervision of a Faculty Advisor, aside from the Editor, the Russ has experienced a period of great success.

At the first of the Fall semester, Robert Foster, who was elected by the students last June, took over the editorship of the paper and put out several very creditable editions. However, due to ineligibility, Bob was forced to give up his work to Elizabeth Jorgensen, who was ably assisted by Eugenie Seifert and Ewart Goodwin in the position of News Editor and Managing Editor, respectively. At the beginning of the Spring semester Ewart Goodwin was chosen by the executive committee to hold the position of Editor-in-Chief. Assisting Ewart Goodwin were Carl Johnson, News Editor; James Crenshaw, Assistant Editor, and Ed Shaw, Managing Editor.

The Russ during the Spring quarter has been marked with several appropriate special editions which were guided on their path toward success through the efforts of the Faculty Advisor, Mr. Holman.

CAFETERIA

WORKING in an effort to supply the students with the best food at the most reasonable price, the cafeteria, under the management of Mrs. Shann, brings to a close one of its most successful years at the high school.

Approximately two thousand students daily obtain their lunches from the cafeteria. No profit is made on the sales, as it is the aim of the cafeteria to supply the students with the best foods at merely cost.

The cafeteria attempts to supervise to a certain degree, the choice of the food of the students. For instance, if a student buys a large amount of pastries the cafeteria urges him to obtain sufficient nourishing food to offset the sweets.

About fifty students are employed to assist in the cafeteria during the two lunch periods. For their work, these students are allowed twenty-five cents on the purchase of their lunches. Besides the student help, there is a regular force of fourteen employees, who are busied daily in the preparing and serving of food. The manager, Mrs. Shann, is directly responsible to the Board of Education.

There are three lines inside the cafeteria; two for students and one for teachers. Outside there are two, so-called "bread lines," where students desiring a cold lunch may speedily obtain it. On the whole, the cafeteria is very efficiently run and students receive the best available service.

ORCHESTRA

ITH the purpose in view of furthering the appreciation of symphonic music, the Orchestral Society has made a name for itself during the past year.

During the fall semester the Orchestra gave its regular semi-annual performance at the Spreckels Theatre. The concert proved to be a huge success financially and artistically.

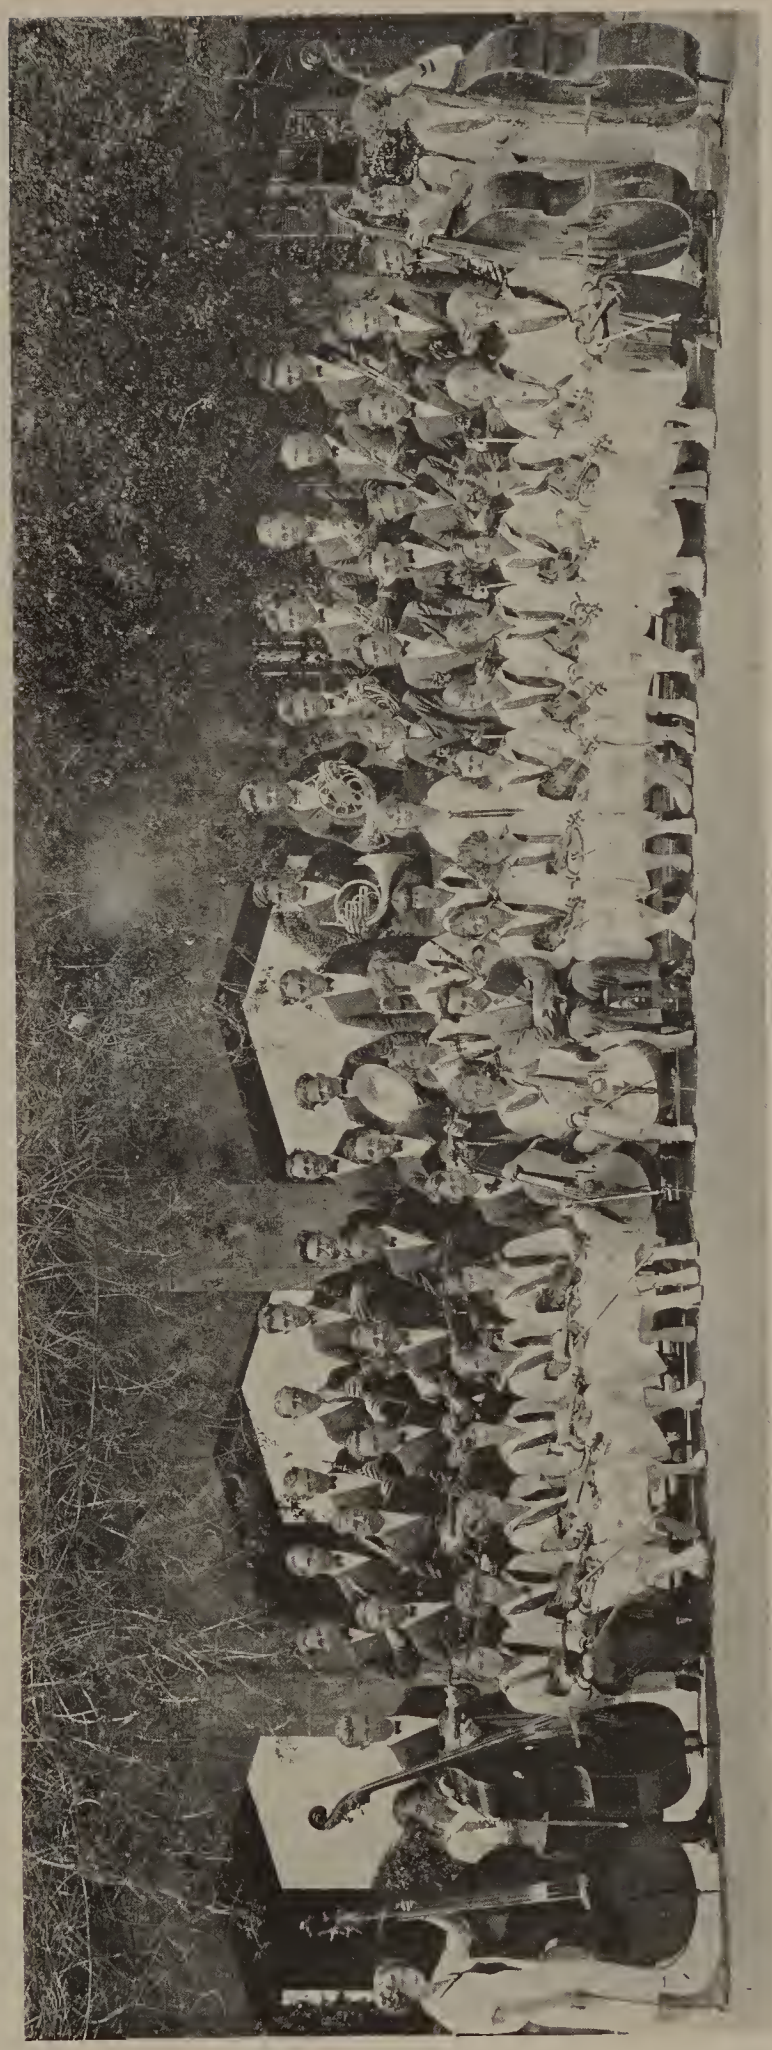

Later in the season the orchestra went to Pomona College to play for the meeting of the State Board of Musical Supervisors. A great deal of very favorable commendation was there made upon the excellent performance of the orchestra.

In the spring a trip to Los Angeles to give a concert was made. This, too, was a vast success.

During the fall semester a pin for the society was adopted. These pins have proved valuable in identifying the members of the society.

Much of the credit for the successes recently achieved by the orchestra is due to its director, Nino Marcelli. The San Diego High School has been extremely fortunate in securing the services of Mr. Marcelli, who is a composer of national note. Under his expert direction the San Diego High School Orchestra has become nationally known and praised.

The Society has had a splendid group of officers during the past year. For the fall semester the officers were: President, Allen Minor; Treasurer, Helen Sullivan; Secretary, Dolf Meuhleisen, and Business-Manager, Ralph Lykins. For the spring semester: President, Allen Minor; Treasurer, Donald Nichols; Secretary, Phillip Winnek, and Business-Manager, Ralph Lykins.

BAND

SINCE the organization of this society in February, 1924, its progress under the leadership of Mr. Dudley Nashold has been very pronounced. At the present time this organization is already exceedingly popular with high school students, and has performed at many assemblages.

Realizing that the Band would speedily become one of the predominating organizations in the high school, a great deal of care was exercised in the choise of an instructor. At length, after much consideration, Mr. Nashold, who has been associated with a number of the finest musical organizations in the United States, was chosen.

The Advanced class is a unit of the R. O. T. C., and joins in all the military demonstrations of the regiment. One period a week is devoted to drill work under Sergeant Halloway and Drum Major Stillwell.

It is the ambition of Mr. Nashold to build up the Band into an organization capable of playing concerts of the highest order, and of filling the need, that has long been felt, for a San Diego High School Band.

R. O. T. C. Band officers are: Captain Wm. Stillwell, detailed to the Band as drum-major; Captain Alan Minor; First Lieutenant Robert Baker; and Second Lieutenant George Hartley.

Advanced Band officers are: Robert Barbour, president; George Thompson, vice-president; Orthe Knecht, secretary; and Wm. MacPherson, treasurer.

Beginners Band officers are: Ralph Boer, president; Forrest Lundy, vice-president; Verna Myer, secretary and treasurer.

TIMALATHEAN SOCIETY

CONTRARY to the popular belief that "l" students have no pep, the Timalathean Society has disproved this belief by bringing to a close one of the peppiest and most active terms of the club's existence. It has made itself felt on the Hilltop, and ranks as one of the largest outstanding organizations among the Hilltoppers.

An event of much pleasure was the dance given by the Honor Society on Tacky Day. On that day fantastically costumed couples tripped over the Choral Hall floor to the strains of a real jazz orchestra. The Choral Hall was transformed into a huge barn, and the rural idea was further carried out in the serving of cider and pumpkin pie as refreshments. Timalatheans showed their originality at the dance, as this was the first time in the school history that a real barn dance was ever staged.

Pine Valley was the scene of the Honor Society's Ditch Day. Here the picnickers were amused with various games and horseback riding. During the spring semester, Ditch Day was held at Del Mar, where the studious frolicked on the beach sands, and returned to the Gray Castle, sun-burnedly sensitive.

A new constitution was adopted at the first of the spring semester. The present constitution is said to be infinitely superior to the old one, and it is believed that the club's growing activity is due to the new adoption.

The officers of the society for the fall semester were: Muriel Hufbauer, president; Jack Young, vice-president; Adele Gist, secretary-treasurer; Ruth Davis, chairman of entertainment committee. Those holding offices during the spring semester were: Muriel Hufbauer, president; Katherine Thomas, vice-president; Ruth Davis, secretary-treasurer; and Mildred Williams, chairman of entertainment committee.

HI-Y

THE Hi-Y Club has just closed the most successful year since its organization, 'way back in 1914. Starting in the year with only twenty members it has grown until now with seventy active and several associate members it is the largest boys' organization, excepting the Boys' Federation, in the school.

During the fall semester twenty representatives were sent to the annual Olser Boys' Conference at Pasadena, and the club had its annual Father and Son Banquet along with numerous other activities which made it a very interesting semester.

The activities during the spring semester have been many and varied, namely: the district Older Boys' Conference at La Jolla; the yearly "Find Yourself" Campaign on April 26; Mothers' Night, May 6; another special Mothers' Night on May 27; Ladies' Night, June 3; and finally the Aloha Night on June 3.

Officers during the fall semester were: President, Dick Barbour; Vice President, Francis Knapp; Secretary, Wm. Stillwell; and Treasurer, Donald Nichols.

The officers during the spring semester have been: President, Dick Barbour; Vice-President, John Hall; Secretary, Robert Geddes, Treasurer, Morgan Elliott. Faculty advisors were Mr. Johnston and Mr. McMichael, and Y. M. C. A. advisor, Ted Smith.

The meetings of this enthusiastic club are held on every Wednesday at 6 P. M. in the Y. M. C. A. building.

SCIENTIFIC SOCIETY

AT the first meeting of the year, the following officers were elected: President, Frank Dodson; Vice-President, John Snoddy; Secretary, Ray Vurgason, and Treasurer, Charles Cornwell. At this meeting, it was decided to hold future meetings on Friday afternoons, after the eighth period. The President appointed a committee consisting of Emory Ellis, Robert Ross and William Lane, to provide for entertainment at each meeting.

Early in the semester, an interesting trip was made to the telephone company, where the entire operation of the switchboard was explained. Probably the most fascinating visit made in the fall semester, was a geology excursion through Sunset Cliffs and Point Loma. A telescope party was also held during the first semester.

At the first meeting of the second semester, the officers of the club for the first semester were re-elected. Early in the semester, the subject of annual representation was raised, and two dances were given for the purpose of raising money. A trip to the San Diego Consolidated Gas & Electric Co. was held during the term, and a visit to the Electric Power Plant was planned.

Much credit for the success of the club was due to the faculty advisor, Mr. Lacey.

SCIENTIFIC SOCIETY

SPANISH CLUB

OS officiales del Club Español del último semestre, son: Presidente, Carlota LaMadrid; Vice Presidente, José Dufour; Secretaria, María Talbert; y Tesorero, Bruce Ayres. Todos ellos han estudiado el idióma Español, y lo hablan, así que les fué posible conducir todas las juntas del Club en Español.

Fué terible desgracia para el Club perder a la Srta. Malloy que era la "faculty advisor". Ella siempre mostraba el mayor interés en todo lo Español, les ayudo mucho a los estudiantes de el idióma, y a los officiales del Club. La Srta. Malloy jamás sera olvidada por los quetuvieron el gusto de ser discipulos de ella, y los que trabajaron con ella.

El semestre pasado, unos de los miembros del Club dieron un programa durante "assembly period" para los estudiantes. Consistió de baíles y canciones de Méjico y España, que fueron entusiasticamente recibidas por la audencia. Tambier demostraron los discipulos les gustaron los Tamales Calientes que fueron puestos en venta, por el Club, varias veces durante el semestre.

La mejor manera de aprender unidioma es estudiarlo, y a la misma vez hablar con paisanos de aquella idioma. Aquí es muy fácil hablar con gente Española porque son nuestros vecinos, y tambien muchos reciden aqui en San Diego, El Club Español, tiene de primer objeto, la idea de establecer amistad entre los discipulos de esta escuela, y la gente Española, y esperamos que El Club Español que se formará el año projimo seguirá con esta idea.

GIRL SCOUTS

HE Girl Scout High School Unit was organized last fall to meet the needs of the high school girl whose heart still clings to scouting, but for whom the regular weekly troop meeting is too strenuous when added to the heavy curriculum of senior high school. The Unit is a club, rather than a troop, meeting monthly instead of weekly, at Girl Scout Headquarters in the Pepper Grove with a faculty advisor instead of a captain.

Through this club a girl can hold her scout identity, have the companionship of other girls interested in scouting, and keep in touch with the national scout organization. Some of the girls have kept on with active work in their junior high school troops, one assisting as second lieutenant.

Thus the Unit is bringing into the school life the inspiration of the scout movement, its high ideals of honor, loyalty, and helpfulness, its incentive for acquiring the practical knowledge necessary to live up to the scout motto, "Be Prepared," and its guidance toward appreciation of the glorious wonders of the out-of-doors; and is building toward efficient home makers and intelligent citizens.

Miss Julia S. Chubbuck is the faculty advisor of the Unit, and the members are Jean Barnes, Virginia Barnes, Mildred Kerschner, Evanna Wicherski, Ethel Freeman, Christine Hayler, Mildred Wilson, Elizabeth Kinney, Charlotte Johnson, Margaret Orcutt, Marian Trelease, Helen Trevey, and Mary Bouseman.

GIRL RESERVES

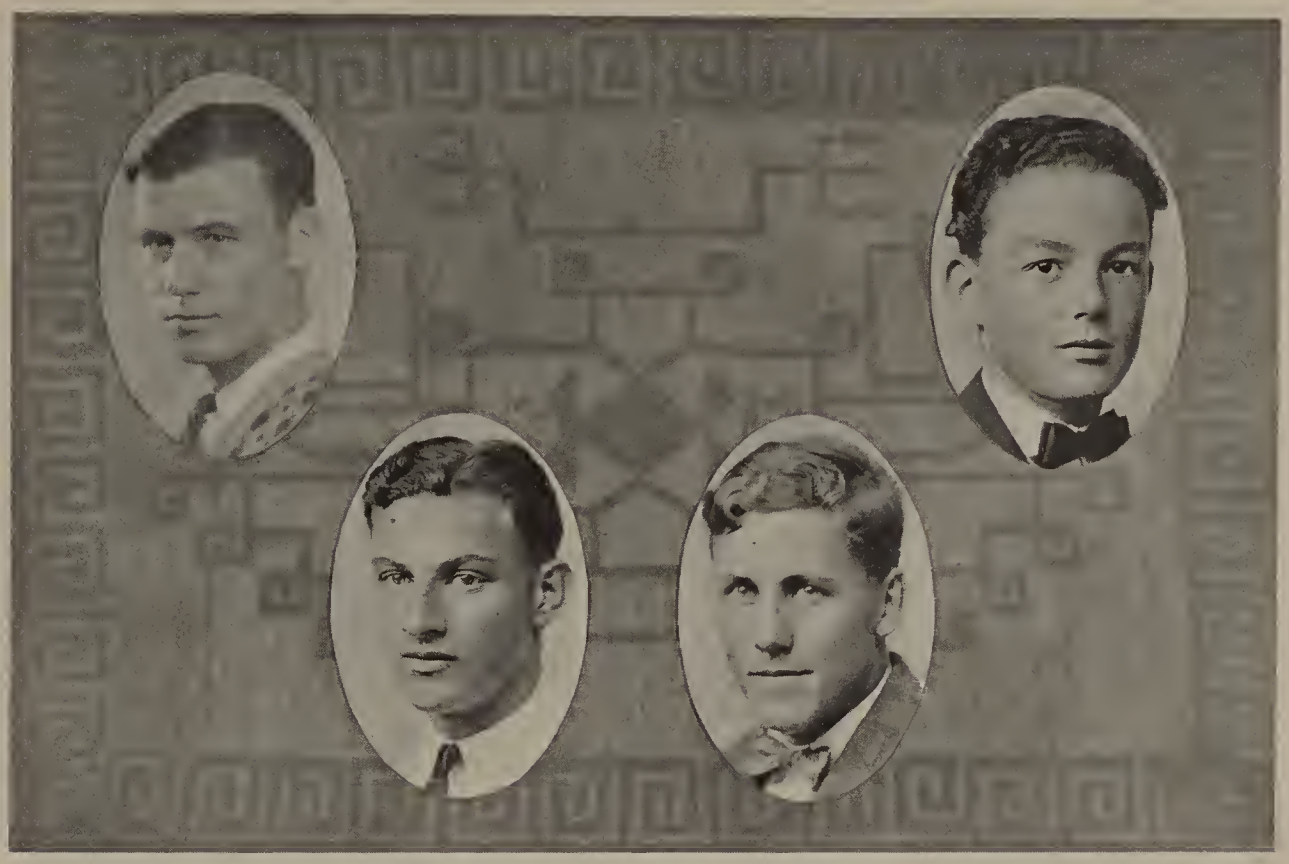

IT IS with a feeling of pride that members of the Girl Reserves may point to the achievements of the past year. The Girl Reserves have sought to create and maintain Christian standards in the Gray Castle, and at no time during the year did they shirk this purpose.

The officers of the club worked untiringly and aided greatly in the activities staged during the year. Hortense Bussey acted as president during the spring semester. She was assisted by Rachael Parker as vice-president. Rachael was elected to the presidential seat the following semester, and has been doing good work for the club. The remaining officers for fall and spring semesters were: Lillian Dante, secretary; and Adah Fletcher, treasurer.

Class discussion groups meet every month at a supper served at the Y. W. C. A. recreation center. Interesting discussion involving the girls' hobbies, thriftiness, home responsibilities, and the traditions and code of the Girl Reserves have been held.

Throughout the past year, the girls have been working for rings. These rings are received only after two years of creditable physical, mental, and moral efforts have been put forth for the betterment of themselves and humanity.

Much credit for the G. R.'s successful year is due to Miss Margueritte Barkelew, Girl Reserves secretary, and also to the advisors of the club. Advisors for the year were: Mrs. Zeiss, cabinet; Mrs. Cox, seniors; Miss Paine, juniors; and Mrs. Utt, sophomores. Cabinet members were: Esther Buckley, Ruth Daniels, Gertrude Bussey, Margaret Isaacson, Hazel Woods, Alice Remmen, Betty Schropschire, Drusilla Ryan, Edith Byers, Betty Robe, Annette Zeiss and Jean Wilson.

Boxing and Wrestling

TO aid in the building up of a strong, healthy body, and to teach the art of boxing and wrestling, is the purpose of the Boxing and Wrestling Club, which makes its headquarters in the Boys' Gym.

Early in the Fall semester, the club held a meeting and elected a capable group of officers, whose good work won their re-election for the Spring semester. Bob Gallagher held the presidential chair, Victor Buno acted as vice-president, Don Humphreys as treasurer, and Jack Carr as secretary.

At the beginning of the term dues cards were sold. The dues were fifty cents and covered the entire school term.

When the Boys' Federation held its "get-together" party in Choral Hall, the Boxing and Wrestling Club furnished excellent entertainment in way of a number of exhibition bouts, presented by its members.

At the present time there are about thirty members of the club, all of whom are working hard to further the interests of this organization.

GIRLS' ATHLETIC EMBLEM ASSOCIATION

HE Girls' Athletic Emblem Association is one of the newest and peppiest organizations in the high school. Due to the qualifications for joining, the membership is not as large as some other clubs, but the G. A. E. A. boasts of "quality rather than quantity."

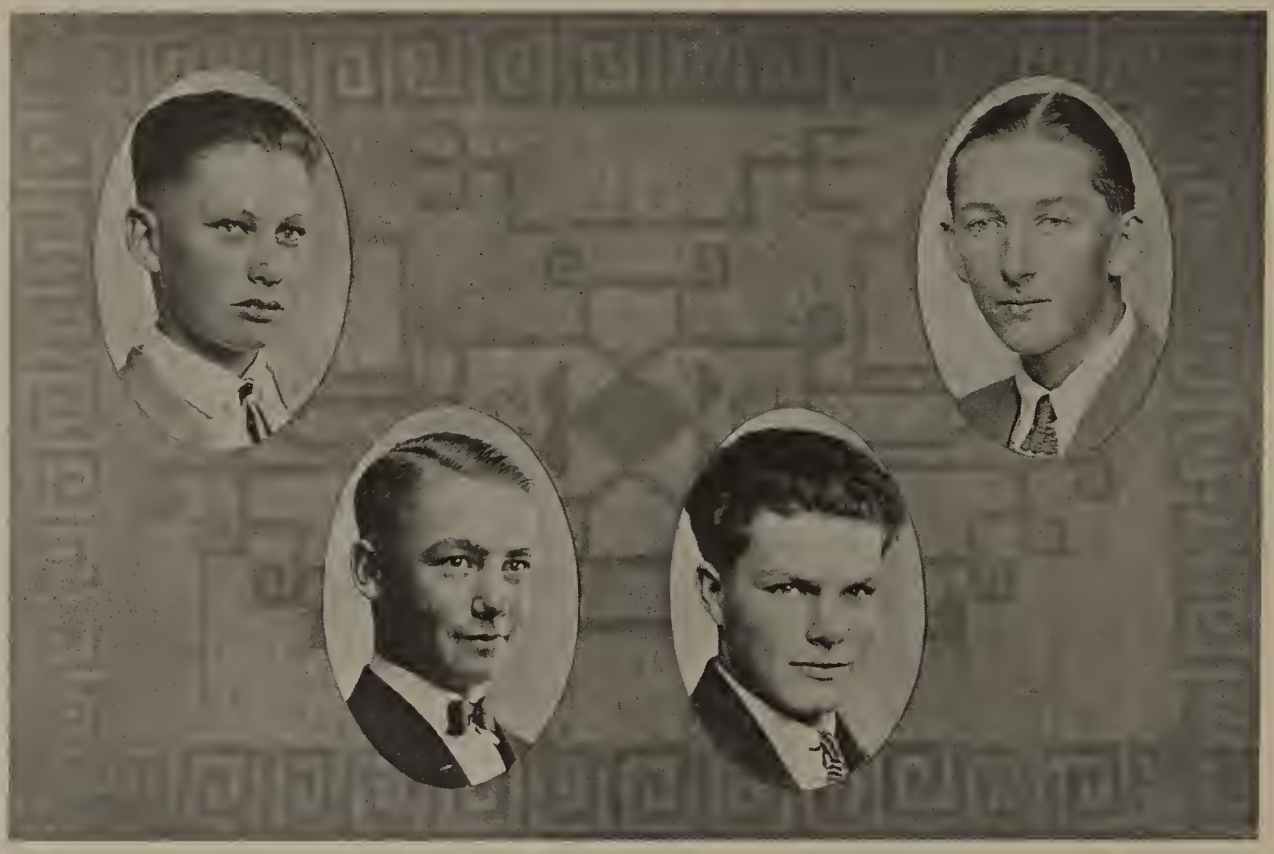

To join the society one must have either the four point emblem, the six point emblem, or a cup which is given for eight points. These points are won in various sports, each activity giving one point. There are at present thirteen members in the club ("The Lucky Thirteen"): Helen Stone, president; Catherine Collins, vice-president; Alice Blackmar, treasurer; Helen Carter, secretary; Alice Remmen, Alice Anderson, Alice Harris, Ruth Farr, Rosalee Loeb, Frances Sharmon, Orthe Knecht, Drusilla Ryan and Norma Engel.

The big activity of the year was the Dove Ball given in the Choral Hall on April 24, 1925. At this ball, juniors and seniors acted as boys and escorted the freshmen and sophomores. The lower classmen were permitted to wear dresses all day to indicate that they had been invited, and the upper classmen wore their uniforms as indicative of men. Members were dressed in sailor suits and acted as "Hosts."

Several candy and peanut sales have been held during the year, which helped to fill the treasury.

BOYS' TENNIS CLUB

THE Boys' Tennis Club has had a very successful season this semester. At the beginning of the Semester the following officers were elected to carry the club through a very trying year: Alan Blade, president; Dolf Muehleisen, vice-president; Bill Schlegel, secretary-treasurer; and Ben Hayward, manager. Manager Ben Hayward has put on very successfully two high school championship tournaments. The first tournament was for the high school doubles championship. Two beautiful gold medals, both of which were donated by the Consolidated Sporting Goods Association, were awarded the champs. The second tournament is just starting at the time the annual goes to press. There will be very strong competition in this tournament, and it should arouse much interest in the school. A beautiful twelve-inch trophy has been kindly donated by the Stephens Bond Investment Company, for the high school champs of 1925.

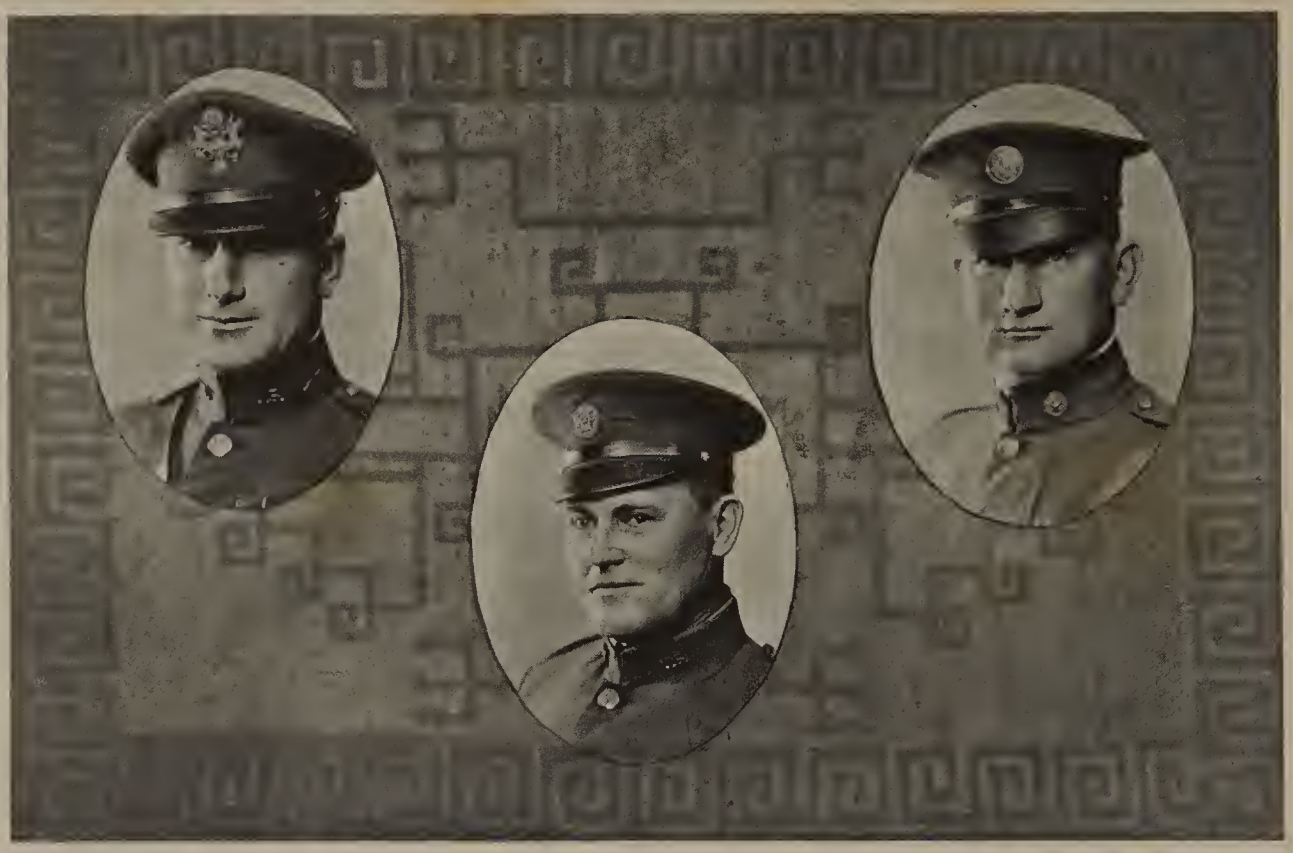

Another thing done by the club for the entire school is the purchase of the American Lawn Tennis Magazine for the year 1925. It has been appreciated by the school, and has become the most popular magazine on the library rack.

The club is now trying to secure for the school the slow motion films of the Tilden-Johnston Matches. If this picture can be brought to the S. D. H. S., it will no doubt be of great value in arousing interest in tennis.

Ben Hayward, who has led the club for the past three years, is graduating this semester. The whole club sincerely wishes him success, and in doing so hope they will be able to find as able a person to carry on his good work, in the future.

R. O. T. C.

WITH the end of this semester, comes the close of another successful R. O. T. C. year. The R. O. T. C. has continued to hold its place as the largest and one of the most active of the high school organizations during the past year.

The organizations sponsored by the R. O. T. C. Unit are the Beta Chapter of the Omega Kappa, formerly the Officers' Club, and the Sergeants' Club. These organizations were formed with the purpose of promoting fellowship and "esprit de corps" among the cadet officers and non-commissioned officers of the regiment.

Among the most notable of the year's events are the Armistice Day and Memorial Day parades, the review and inspection by Major Jordan, the official turning over of command to Captain Arthur J. O'Keefe, by Colonel James A. Lynch, the review in honor of the sponsors, the never-to-be-forgotten Military Ball given by the Regiment, and the R. O. T. C. Field Day on which the regimental competitive drills were held. Medals put up by the American Legion, the Chamber of Commerce, and the Rotary Club were competed for. A regulation army saber was presented by Captain O'Keefe to the cadet captain of the best company in the regiment.

The San Diego High School R. O. T. C. has, without a doubt, one of the best instructor personnels in the country. Captain Arthur J. O'Keefe, a World War officer of note, is commandant of the Unit. He is assisted by Master Sergeant Charles W. Aldridge and Sergeant Gilbert R. Halloway.

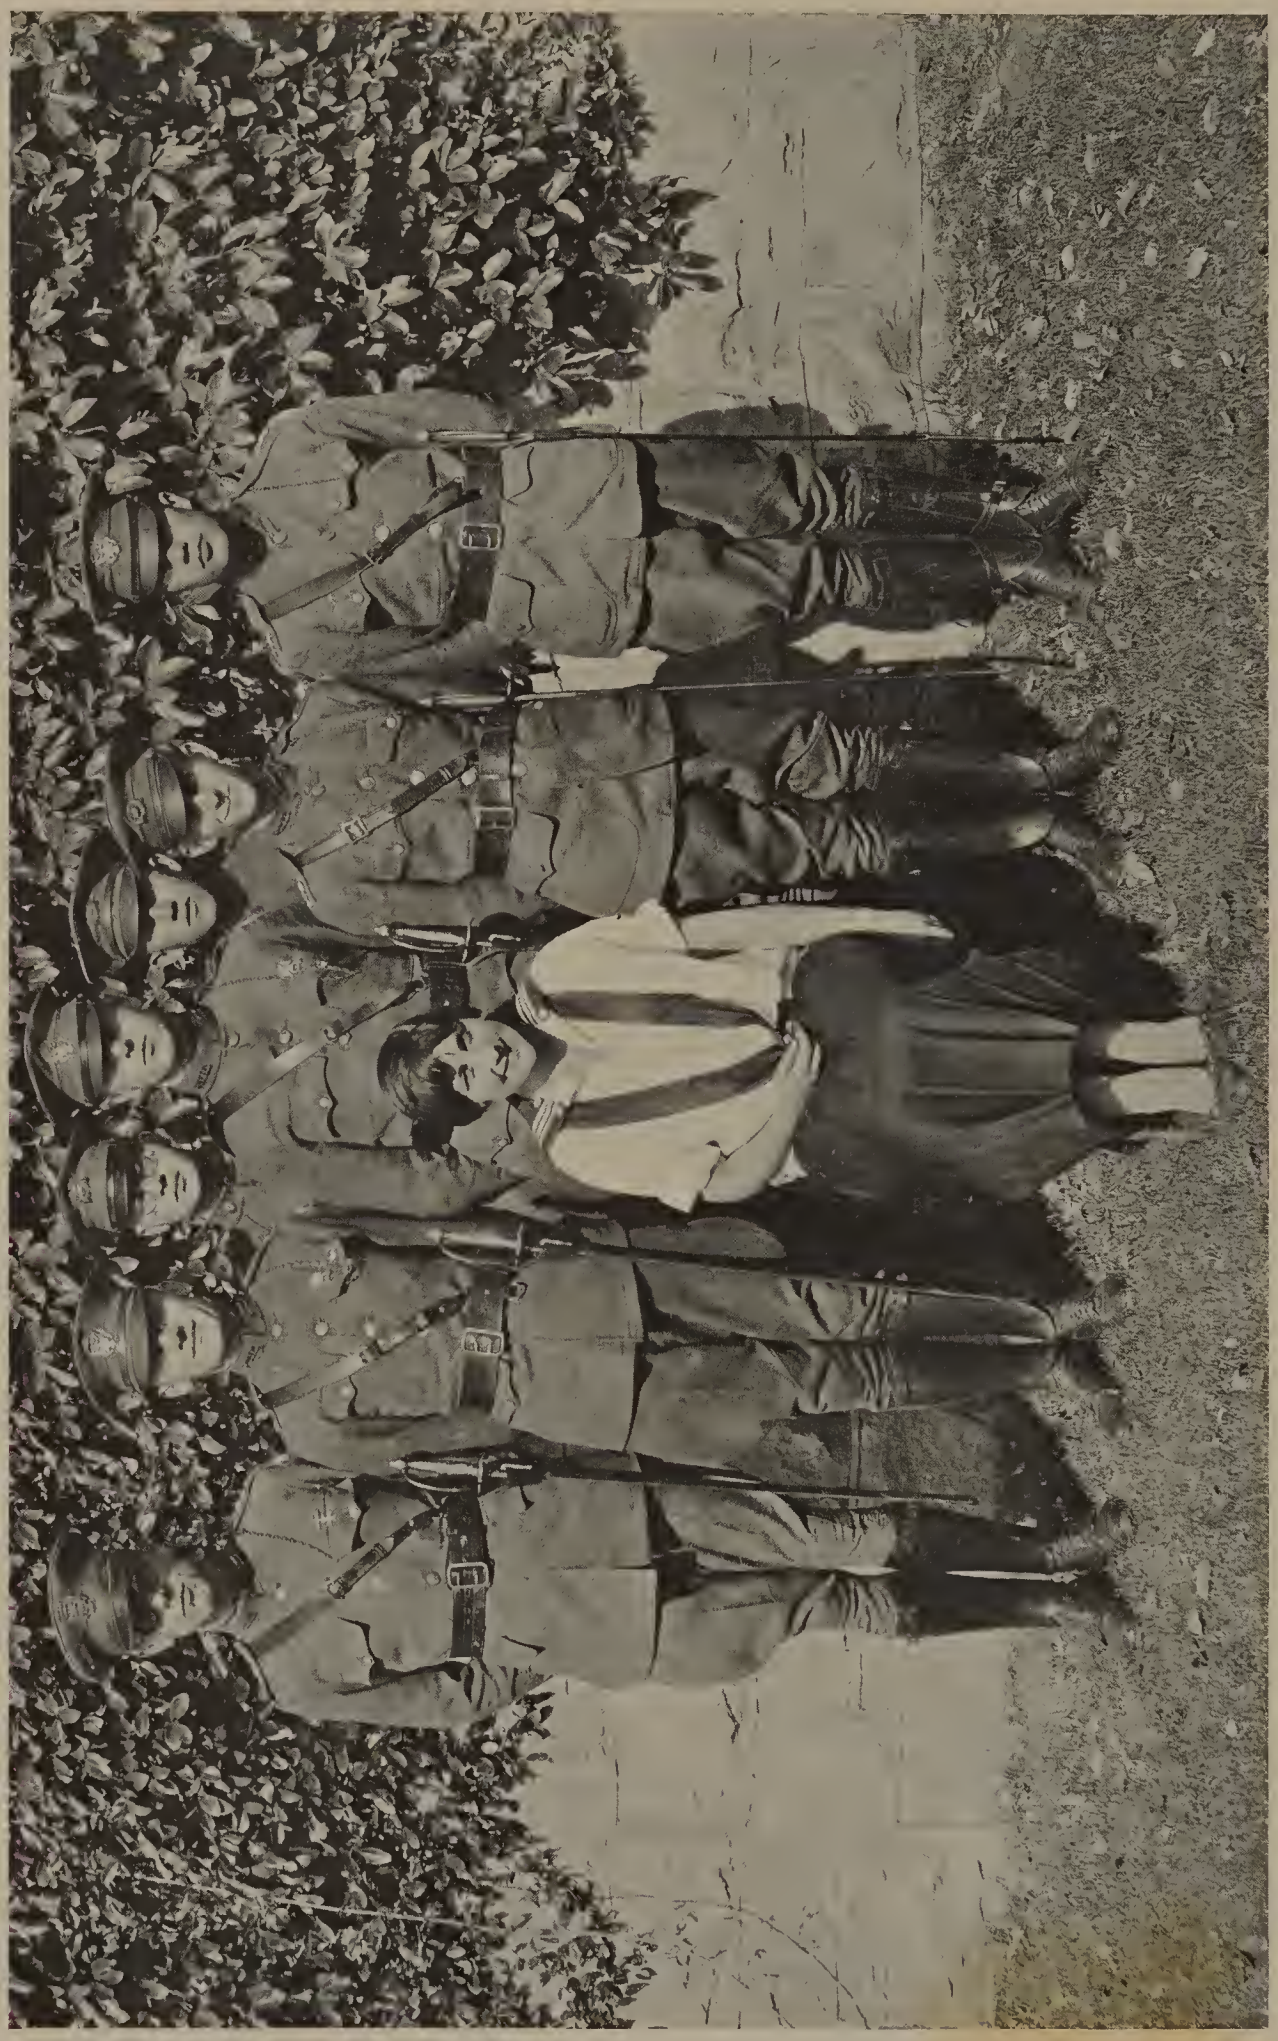

For those of us who are graduating, the hours spent in R. O. T. C. work will be looked back upon as happy ones. May the Unit always prosper.

SERGEANTS' CLUB

URING the past year, the Sergeants' Club, under the leadership of its capable officers, has been picking up its old-time pep again.

Due to the number of R. O. T. C. promotions made during the year, many of the choice members of the club have been lost. However, as this book goes to press, the club is deciding upon a number of social activities to occur in the near future. These affairs will do much toward building up the club and putting it in condition for a good start next semester.

The club offices have been held by the following students during the past year: Wilmer Euison, president; Robert Geddes, secretary; and Pablo Estrera, treasurer. It is to the latter, a reliable boy who is ever ready to work for the advancement of the organization, that the Sergeants' Club dedicates this page.

OFFICERS' CLUB

AFTER a successful semester under the capable leadership of Col. Raymond Whalen, the Officers' Club started the second semester with the same zest as shown before. Early in the second semester the Officers' Club was dissolved and the more fraternal Omega Kappa took its place. The Omega Kappa has a more definite aim to bring the officers in closer touch with each other and to standardize the aims of the different R. O. T. C. units affiliating with the order.

The Omega Kappa will try to keep the students who graduate interested in military activities and to keep them posted on the latest military policies.

In addition to the technical side of the work, the Omega Kappa with the combined support of the Sergeants' Club and the personnel of the R. O. T. C., put on a Military Ball held at the American Legion Hall. It was well attended and was a very successful and enjoyable affair. A regimental review and later a theater party was given in honor of the sponsors.

The Omega Kappa provided a peppy act for the Boys' Hi-Jinx, in which much talent was displayed.

The Beta Chapter journeyed out to the Army and Navy Academy and installed a chapter in that institution. Through this order Omega Kappa expects to clear up many misunderstandings between the two schools and to bring them on more friendly terms.

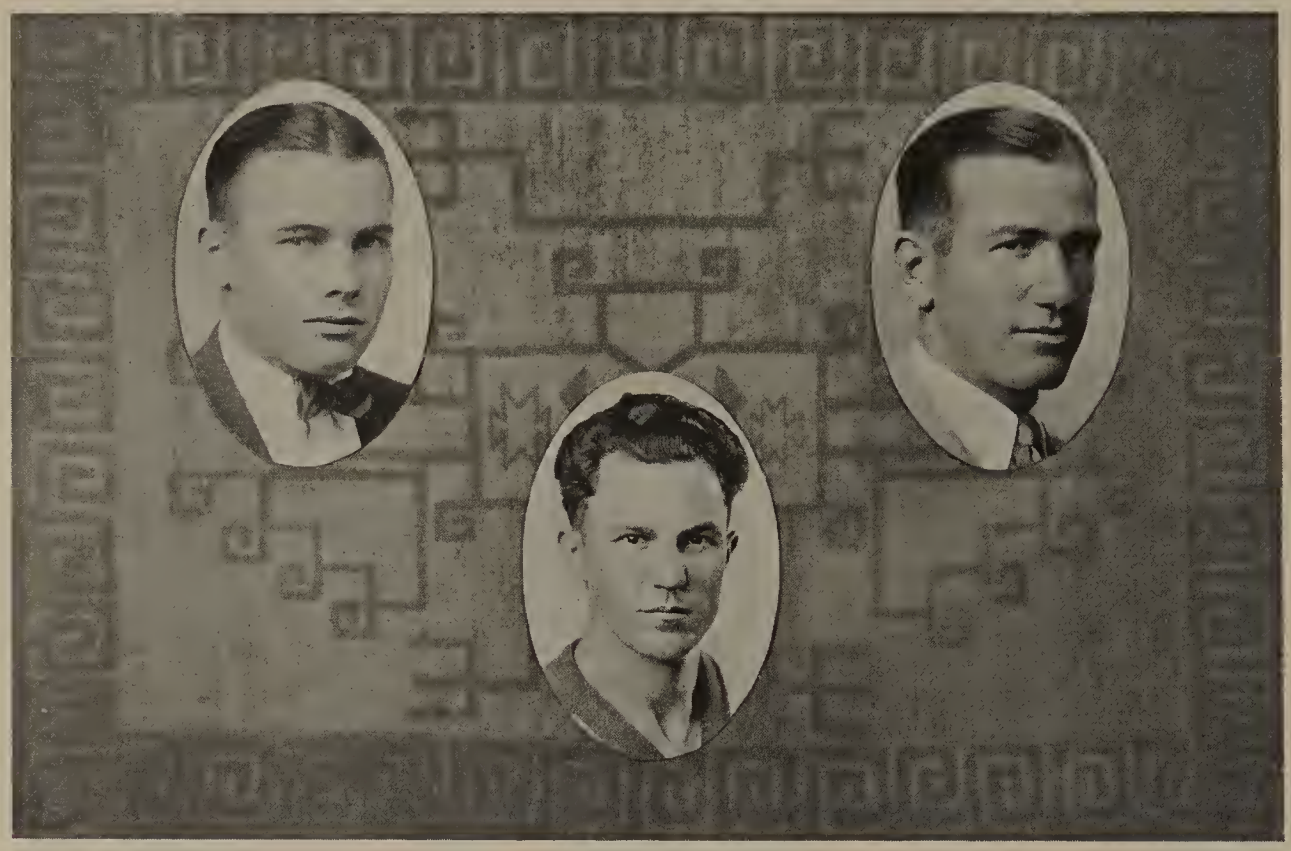

The chapter has done much good work in the interest of the R. O. T. C., and expects to do much more in the future.

MANAGERS

SAN DIEGO High School may well be proud of her athletic teams that performed during the last school year. The track team came within a point of winning the state championship. Football copped the league title and basketball and baseball both stood well up in their respective leagues at the finish. Along with the achievements that were attained, stands the new spirit that seemed fused into every sport. A spirit of freshness, vigor and teamwork was prevalent from September until June.

From the new and somewhat green material that answered the call for football was constructed a team of exceptional smoothness and crushing power. Basketball was entirely in the hands of new and inexperienced men but nevertheless a good showing was made, when the squad came within a single basket of winning the Coast league rag. The track team which fought for the Hilltop, came in second in the State Championship. Baseball did less this year than ever before.

Frank Ribble was Captain of the famous football squad of '24, and handled the team with masterly skill. Irvine Chase captained the basketball squad and did his work. Lawrence Peterson piloted the track squad in their meteoric rise to runner-up in the state meet. 'Pete' was also a crack football player and the mainstay at shortstop in the varsity nine. Rodney Luscomb was the helmsman for the baseball squad. Rodney was one of the leading hitters on the team.

John Perry coached football and baseball. In both of these sports he was assisted by Johnny Hobbs, who also coached varsity basketball. Gerald Oliver was the mentor and advisor for the track squad and it was his team that came within a margin of the state title. They are a trio that any college might well be proud of.

FOOTBALL

WITH but three letter men from 1923 to build around, Coach John Perry developed one of the best grid machines for 1924 the Hilltop has ever seen. Certainly it was the smoothest running squad produced, as the results it made were consistent.

Nosed out of its chance for the Southern California Interscholastic Championship by Orange high in the semi-final game, 29 to 22, the local outfit had to remain content with the Coast league football trophy.

Out of 11 contests, San Diego won seven, tied three and lost one with a total of 187 points to its opponent's 74. Each of the Coast league schools were defeated by Perry's men, with little effort.

Starting the season with a boom, San Diego gained revenge for the defeat handed them by Sweetwater in baseball last year by walloping the Sweeties, 33 to 0. The following week found the high men confronting the strong Pomona Frosh in the stadium. Neither team was able to score on the other with the result that the game ended in a scoreless tie. San Diego repeated the Pomona showing at Orange and a week later started the Coast league schedule. Fullerton fell first, 33 to 7, followed by the Pasadena defeat, 21 to 3 and Santa Ana's loss, 13 to 0. The great event came with the advent of the Long Beach-San Diego contest. Both teams had gone undefeated throughout the season and were especially strong. But the supposedly fast Jackrabbit was a bit too slow and the mighty Cavemen finished on the large end of the 6 to 3 score. The win over Long Beach was the first one for the Hilltoppers since 1922.

Except for the untimely beating from the Orange pickers, it was one of the best seasons yet experienced. Coach Perry, to whom much credit is due, will have nine letter men back on the squad in the fall. Five of these will be in the backfield and four on the line.

BASEBALL

AFTER starting the season in whirlwind style by overwhelmingly defeating several navy teams the baseball team took the measure of the strong U. S. C. Frosh 9 to 7, in a fast game. It was in this game that we saw two of our old favorites, Webster Gibson and Coney Galindo, who are now attending U. S. C. In our next game, which was a practice, we lost to Jefferson 5 to 3. This game was played in a sea of mud and had no effect on our league standing. The week following the Jefferson game Orange came south for a lesson in baseball and went home on the short end of a 9 to 3 score.

Our first league game found us at Fullerton where we led the drillers 2 to 1 until the eighth inning. At this time Fullerton scored two runs on a walk, a hit and an error which gave them a 3 to 2 lead and the game. The following week we went to Pasadena and scored a 5 to 0 victory over the Bulldogs. Next we met Santa Ana here for our third league game, which San Diego won 13 to 5.

Memories of the fourteen inning game with Long Beach in "'21" were recalled when Long Beach turned the tables on us and won a 6 to 5 victory in thirteen innings. However we could not have won the championship anyway because Fullerton went through the season without losing a game. In our last league game we staged a strong comeback, beating Whittier 13 to 1.

Ed Bingham was appointed Manager of the team early in the year and took care of the advertising and the tickets very ably.

The following men played their last game for the high school May 16, since they are in the graduating class this year: Al Dorval, catcher; Sydney "Speed" Martin, pitcher; George Kent, first baseman; Art Billings, second baseman; Bill McCrary, third baseman; Ed Springer, left fielder; Captain Rodney Luscomb, center fielder and Ray Turner, right fielder.

Those who will be back next year to help build up a championship squad: Dallas Warren, catcher; Travis Hatfield, pitcher; Harry Calac, second baseman; Lawrence Peterson, shortstop.

BASKETBALL

FROM actual winnings and in point of stiff competition, the Basketball season of '24-'25, was much more successful than any previous recent year. It marked the second year of guidance for the varsity under the eye of Coach John Hobbs who shaped a good, well rounded squad from a host of green, inexperienced players who answered the initial call for the loop sport.

The team came within two points of winning the league championship. The climax was reached in the Long Beach game, a hotly contested affair throughout, when an opposing guard threw a basket from the center of the court in the last second of play. It was this game that lost the league title for San Diego. Although previously beaten by Pasadena on foreign soil, the Crown City aggregation lost two ensuing games and San Diego would have copped despite the Pasadena defeat had they been more successful in the Long Beach game.

The season was a remarkable one in that out of thirteen players that were retained on the varsity before the start of the season, the long, strenuous year came to a close with twelve men still reporting. One was lost by graduation in the winter semester.

George Peterson, George Caldwell, Arthur Ferguson (Captain-elect), Bert Ritchey, Pete Villarino and Bailey Justice were forwards on the team. Irvin Chase, Alvin McGowan and Willis Fletcher served as centers on Coach Hobb's varsity and Russel Saunders, Cy West, John Donohue and James Ham were defensive players.

TRACK

GLEAMING back over the records of the showings made in the past years by the S. D. H. S. track and field teams there is a gratifying and relieving breath to be taken when the records and deeds of the 1925 track and field team are laid on the table face up and appreciated.

As a matter of spending their time in keeping in good shape the boys were taken to Huntington Beach for the Southern Counties invitational championship and there they could not be denied. They won the title after a hard battle.

Then came the preliminaries of the Southern California championship and here Captain Peterson's huskies went wild, as there were no points counted in this meet other than toward places for finals in the Southern California meet the Hilltoppers could not gather their usual harvest. After this the finals came; the night-cap to the Southerners' 1925 season, after which came the State title meet. The Hillmen lost on some to the most unlucky breaks that could be the lot of a prep team in a meet. They were nosed out by Riverside by two-eighths of a point.

In the State meet their previous fate was repeated and this time, though they they defeated Riverside, Manual Arts, a team that they had conquered in the Southern California meet, beat them out for the title by one and one-half points.

The major success of the track team was due to Coach G. A. Oliver who was able to mould a team that will be hard to equal in years to come. The financial part of the business was attended to by Jack Norris. He succeeded where many other managers of former years failed. Eddie Moller was high point man of the year.

Jake wished to get on the police force so he went to the judge and said.

"Judge, I'd like to be a policeman."

Judge: "If you can answer three questions you can be a policeman. First, how many stars are there in the sky; second, how old am I; third, what am I thinking about."

Jake: "If you will give me until tomorrow I'll have the answers."

Judge, after thinking a moment: "All right, be here at 10:30 tomorrow morning."

It happened that Jake had a twin brother named Ike. When Jake got home he told his troubles to Ike. Then Ike said, "Let me answer the questions, the judge won't know the dif." The next day at 10:30, Ike appeared before the judge. Then the judge said, "How many stars are there in the sky?"

Ike: 9,000,000,900.99.

Judge: "I don't believe you."

Ike: "If you don't believe me count 'em for yourself."

Judge: "You win, now how old am I?

Ike having read newspaper article of judge said 52 years old.

Judge: "I'll get you on this one, what am I thinking about?"

Ike: "You're thinking that I'm Jake but I am only his twin brother Ike."

One day two girls went into a livery stable and asked for a gentle horse as they wanted to drive in the country. The man gave them a very gentle one and told them it would be all right if they kept the rain from its tail. When they returned in the evening he asked if they had had any trouble. "Oh, no" was the reply, "there was one little shower, but we had an umbrella and took turns holding it over the horse's tail, so that not a drop of rain touched it; and we got along all right."

A Tribute from the Dean of the State Press to The San Diego Union, the Pioneer Newspaper of Southern California

"I do not think there is another paper in this country which can, as fairly as The San Diego Union, claim that it has always been the leading factor in promoting the interests of the community in which it is published. The Union 'has been on the job' from the beginning, and the present prosperity of the city is much due to its energetic, consistent and continuous efforts to acquaint the outside world with the advantages of the fine harbor on which it is situated. I am proud that I was once connected with a journal that can make such a boast."

This Tribute to The San Diego Union was paid by the late John P. Young, managing editor of the San Francisco Chronicle for many years.

He: "Ah, darling, may I be your captain and guide your bark down the sea of life?"

The Widow: "No, but you can be my second mate."

Obedient Willie.

Willie was struggling through the story in his reading lesson. "No," said the captain," he read, "It was not a sloop. It was a larger vessel. By the rig I judged her to be a-a-a-a-a-a-a-a-"

The word was new to him.

"Barque', supplied the teacher,

Still Willie hesitated.

"Barque!" repeated the teacher, this time sharply.

Willie looked as tho he had not heard aright. Then, with an apprehensive glance around the class. He shouted:

"Bow-wow!"

Jack: "So your father demurred at first because he didn't want to lose you?"

May: "Yes, but I won his consent. I told him that he need not lose me. We could live with him, and so he would not only have me, but a son-in-law to boot."

Jack: "H'm; I don't like the last expression."

Stranger: "What are you crying for, Bud?"

Fred B.: "I g-g-got a licken!"

Stranger: "Well, don't you mind."

Fred B.: "Aw, gawn! that's what I got licked for."

"Mind frent, every fire company in the city, but two, has squirted water on dot suit!"

Evana: "What is your idea of clean sport?"

Chick: "Swimming."

Boss (engaging boy): "Is there anything you can do better than anyone else?"

Boy: "Yes, sir; read my own writing."

"How is that tire on your side, Eunice?" She (looking over the side of the car) "Oh, It's all right. It's flat on the bottom, but it's round on the top."

Miss Cupp: "Class, this is absolutely the worst recitation I've ever heard. Why I've done three-fourths of it myself."

POLITE BUT POINTED

A stern old preacher had issued to his people a command against dancing, believing it to be a device of the devil.

A few of the young people disobeyed and attended a dance given at a neighboring town. Finally it reached the ears of the preacher, and, meeting one of the culprits on the street one morning, he said in a stern voice.

"Good morning, child of the devil!"

"Good morning, father!" smilingly answered the pretty miss.

A Friendly Suggestion

YOU have now successfully mastered the school curriculum and your next task will be one of readjustment to the business world.

You'll find that financial independence is a requisite to complete enjoyment in life.

A large amount of money is not, however, necessary and the attainment of this goal is as simple a matter as "subtraction".

It is nothing more nor less than being able to adjust yourself to spending LESS than you earn.

Perhaps the best method of gaining this desired end is to start a savings account and make your banker your friend and adviser.

His experience will be of great worth to you and consultation with him before entering into any financial transaction will undoubtedly save you many disastrous errors.

The officers of any member bank of this association will be glad to have you advise with them freely whenever you may be in need of their help.

Start this simple plan of readjustment to the business world which you are about to enter, at once, and you'll be glad you did.

HOW TO AMUSE THE BABY

Tickle it in the stomach—say "ootsey-bootsey"—twist its feet—upset it—show it your watch, taking it apart if necessary—tweek its nose—pinch its cheeks—punch its abdomen—tap its feet—pat its back—shove it over—pick it up by the arms—pick it up by the feet—pick it up by the ears—throw it up in the air and bellow "whoop-ee"—let it down and gurgle "whee"—smother it with wet kisses — smother it with affection—smother it with blankets—drop it on the floor—pick it up by the toes—recite "pat-a-cake, pat-a-cake, baker man" and the "Three Little Pigs" to it several hundred times a day—feed it safety pins and rattle-boxes.

With this sort of early training the youngster will grow to young manhood, smoke cigarettes, and in other ways prove a disappointment to friends and family.

HOW RUBIN GOES TO THE GAMES

With the assistance of a comrade, Rubin boards the train and is seated. Then the comrade disappears. Rubin, his dark glasses perched upon his nose, sits forlornly and alone until the conductor appears.

"Tickets!" says the man.

Rubin looks up as well as his large dark spectacles will permit and yet stares above and beyond the trainman.

"Why, I gave you my ticket!" he answers indignantly

There ensues an argument in which the conductor stresses his opinion of college men.

Rubin deems it time to end the discussion.

"How should I know," he answers pathetically, "I'm a blind man. I can't see a thing. I gave my ticket to somebody and how should I know whether it was you or not!"

Voice from Next Room: George, are you teaching that parrot to swear?

George: No, mother, I'm only telling him what not to say.

WHAM! OVER THE FENCE!

"It was the last inning of the annual college baseball game. The first two men struck out. The next three walked. One run was needed to break the tie and win the championship. The manager signalled and Joe Egermeyer, an all season bench warmer, came to pinch hit. Two strikes and three balls. His parents stood up and waited anxiously. The crowd roared. His sweetheart was waving a handkerchief and screaming for a homer. Joe firmly closed his mouth. A determined look was on his face. He gripped his bat harder. The pitcher let go the ball. Joe took a wicked swing.

"There was the resounding crack of ball meeting wood.....as it bounced off his head."

There were the Come-On girls. They were always brushing against you, and stroking the lapel of your coat, and lifting their eyelashes slo-o-owly. When you danced with them you were aware of a slight flurry in the ranks of the chaperones. They walked with their hips, and used overpowering perfume, and talked in low tones about Love. They gave the impression of being divertingly naughty, but somehow you never liked them well enough to bother to find out whether or not they really were.

LIKE FATHER, LIKE SON

Junior had been permitted to accompany his father to the office for the first time. As he left the maternal doorstep his mother said, "Now, Junior, you watch daddy, and try to do things the way he does; then when you grow up you will be a nice good man like he is."

That night Junior strode up to his little trundle bed with a new determination. As he kneeled down at his mother's feet for the evening prayer, he piped up, "Take dictation. Dear Lord, God bless mama, God bless papa, God bless the cook, and Damn it, God, if we don't get some action on this, I'll sue you."
